

Year 1 Homework – Term 4 Weeks 2-3

This term our HSIE Unit is **Celebration** and Science Unit is **Back to Nature**. Each fortnight related tasks will be included in the homework grid. Any writing does not need to be detailed but should include an illustration. The homework focus in year 1 is on conversation rather than the production of written work.

Log on to www.mathletics.com.au Remember the ' <i>Something Easier</i> ' and ' <i>Something Harder</i> ' buttons are there if you need them.	Read your home reader every night. Have an adult to ask questions about the book.	Practise your spelling list each night using the "look, say, cover, write, check" method.
Talk to your family about the celebrations that are most important to them. Discuss the reasons why.	Choose 6 numbers between 50 and 100 and put them in order from smallest to largest.	Find out where medicines are kept in your house. Talk to your parents about safe storage of medicines.
Make a list of ten things in your room or house. Think about and discuss the materials they are made of and classify them as Natural and Human Made. Are there many natural products in your room or house?	Write up to five interesting sentences using your spelling words.	Starting with the number 20, roll a die 5 times and add on the number each time. Write a number for sentences each. eg. $20 + 6 = 26$ $26 + 3 = 29$ $29 + 4 = 33$ etc
